

PHILADELPHIA UNIVERSITY

FACULTY AND PROFESSIONAL STAFF ACCOMPLISHMENTS DECEMBER 2002

I. PUBLICATIONS

Anne Bockarie, School of Science & Health

“The Evolution of Environmental Action Projects at Philadelphia University,”. Zlotowski, E. (ed.) *Service Learning and the First Year Experience: Preparing Students for Personal Success and Civic Responsibility*. University of South Carolina, National Resource Center for First Year Experience. Columbia, SC 166 p. 2002

Environmental Science 8th Edition, Miller, G.T. and. *Environmental Science: A Study of Interrelationship* 8th Edition, Enger, E. and B. Smith, Comparative Review of for McGraw-Hill Publishers.

Anne Bockarie, School of Science & Health & Brian George, School of Textiles & Materials Technology

“Production and Characterization of Yarns and Fabrics Utilizing Turkey Feather Fibers”
Proceedings of the 2002 ASME International Mechanical Engineering Congress & Exposition

Ellen Kolodner, School of Science & Health

“Potato Pancakes (pp. 173-176); “Chicken and Black-Eyed Peas, (pp. 189-190); “Stand Up and Be Counted,” (pp. 217-218), *Ordinary Miracles: True Stories About Overcoming Obstacles & Surviving Catastrophes* with Cohen, V; Potato Pancakes. In D.R. Labovitz (Ed.), Thorofare, NJ: SLACK, Inc. (2002).

II. CONFERENCES

Anne Bockarie, School of Science & Health & Brian George, School of Textiles & Materials Technology

“Production of Fabrics Utilizing Turkey Feather Fibers and Potential Use in Erosion Control Fabrics,” presentation, ASME International Mechanical Engineering Congress & Exposition, New Orleans, LA, Nov. 17-22, 2002.

“How Does Poultry Feather Fabric Stand Up to Coconut Matting for Erosion Control?”
presentation, Ecological Society of America National Meeting, Tucson, AZ, Aug. 5-9, 2002.

Matt Dane Baker, School of Science & Health

“Assessment and Evaluation,” presentation, Association of Physician Assistant Programs Annual Conference, Miami, FL, November 8, 2002.

Anusua Datta, School of Business Administration

“The Mechanism of Technology Transfer: When Can the South Innovate?” presentation;
“Technology and Growth,” session chair, Southern Economic Association Conference, New Orleans, LA, November 24-26, 2002.

Steven Dinero, School of General Studies

“Minorities in Israel,” panel chair, Middle East Studies Association, Washington, DC, November 25, 2002.

Rob Fleming, School of Architecture & Design

“Balancing the Scale: The Efficiency Versus Aesthetics in the Selection of Architectural Materials,” keynote speaker, 13th Annual Sustainable Society Action Project Conference, Philadelphia, PA, November 17, 2002.

Brian George, School of Textiles & Materials Technology

“Theories & Modeling in Textile Engineering Division,” session co-chair, 2002 American Society of Mechanical Engineers International Mechanical Engineering Congress & Exposition, New Orleans, LA, November 17, 2002.

Ellen Kolodner, School of Science & Health

“Continuing Competency for Occupational Therapists: What Why and How,” presentation, Pennsylvania Occupational Therapy Association, District III, Dallas, PA, November 21, 2002.

“Everything You Need to Know About Continuing Competency for Occupational Therapists: Who, What Why and How,” presentation, Pennsylvania Occupational Therapy Association, District V, Philadelphia, PA, November 12, 2002.

DK Malhotra, School of Business Administration

“Leverage and Closed-end Bond Funds Expenses,” presentation, Southern Finance Association Meetings, Key West, FL, November 20-23, 2002.

Michael Rackover, School of Science & Health

“Medical Genetics Made Easier,” presentation, Association of Physician Assistant Programs Annual Conference, Miami, FL, November 8, 2002.

III. GRANTS

Ellen Kolodner & Cynthia Haynes, School of Science & Health

Received grant from Federation Day Care Services for project entitled “Supervision of Occupational Therapy Student in Daycare Programs for Typically Developing Children to Demonstrate Contribution of Occupational Therapy Services”

IV. OTHER

Jeffrey Cepull, Office of Information Technology

Selected to serve on the EDUCAUSE Quarterly Editorial Committee, 2002-2005.

Diana Cundell, School of Science & Health

Elected to the Editorial Board of Journal of Clinical Microbiology as an official reviewer.

Peg Fenner-Gulledge, School of Science & Health

Successfully completed MBA at Eastern University.

Sumantra Sen, School of Business Administration

Successfully defended Ph.D. in Economics from the University of Pennsylvania; dissertation entitled “Uncertainty and Incomplete Information in Game Theory.”
