

PHILADELPHIA UNIVERSITY

FACULTY AND PROFESSIONAL STAFF ACCOMPLISHMENTS

OCTOBER 2003

I. PUBLICATIONS

Jeff Ashley, School of Science & Health

“A comparison of accumulated PCB patterns in American eels and striped bass from the Hudson and Delaware River estuaries,” co-authored with R. Horwitz, B. Rupel & J. Steinbacher, *Marine Pollution Bulletin*, 46 (2003) 1294-1308.

Kris Bhat & Charles Bock School of Science & Health and Les Sztandera, School of Business Administration

“Mutagenicity of aminoazo dyes and their reductive-cleavage metabolites: a QSAR/QPAR investigation,” *Dyes and Pigments*, 59 (2003) pp. 117-133.

Anusua Datta, School of Business Administration

“Time-Series Tests of Convergence and Transitional Dynamics,” *Economic Letters*,

Celia Frank, School of Textiles & Materials Technology

“Fibrous Assemblies at the Design and Engineering Interface,” book of proceedings, International Textile Design and Engineering Conference (INTEDEC 2003), Edinburgh, UK, September 2003.

Hilary Jay, The Design Center

“The Word from Copenhagen,” *Modernism Magazine*, Fall 2003.

Jaideep Naidu, School of Business Administration

“Minimizing the Makespan on a Single Machine with Variable Job Processing Times,” *Academy of Information and Management Sciences Journal*, 5, (2), 171-177, October 2003.

Hossein Rostami & William Brendley, School of Science & Health

“Alkali Ash Material: A Novel Fly Ash-Based Cement,” *Journal of Environmental Science & Technology*, Vol. 37, Issue 15, Pg. 3454-3457, August 2003.

Lloyd Russow, School of Business Administration

Digital Technology in Teaching International Business, editor, International Business Press, 2003.

Jordana Shane & Steven Bell, Gutman Library

“Stop Sending Those Cards: Enhancing Faculty-Librarian Collaboration Using e-selection Strategies,” *College & Research Library News*, 64, 606-609.

Sigrid Weltge, School of Textiles & Materials Technology

“Michael Olszweski – Mood Message Marks,” *American Craft*, Vol. 63, Vol. 5, October/November 2003.

II. CONFERENCES

Doreen Burdalski, School of Business Administration

“Regarding the Timing of Student Course/Instructor Evaluations,” presentation, co-authored with Jerome Witt, American Business Educators Conference, San Francisco, CA, September 18, 2003.

Diana Cundell, School of Science & Health

“Isolation of a bioremediant *Bacillus amyloliquifaciens* from methyl tertiary-butyl ether-contaminated agar,” poster presentation and judge, Annual Biomedical Research Conference (ABRCMS) sponsored by American Society for Immunology and the National Science Foundation, San Diego, CA, October 15-18, 2003.

Anusua Datta and Susan Christoffersen, School of Business Administration

“The Changing Structure of U.S. Textiles: Productivity Implication,” presentation, Northeast Business and Economics Association Meeting, October 3-4, 2003, Parsippany, NJ.

John Eliason, School of General Studies & Nancy Sorkin, Learning & Advising Center

“A Cross-Campus Collaboration at Philadelphia University: Writing Science,” presentation & session chair, Writing Across the Curriculum panel at the Rocky Mountain Modern Language Association Conference, Missoula, MT, October 9-12, 2003.

Celia Frank, School of Textiles & Materials Technology and Les Sztandera, School of Business Administration

“A Fuzzy Forecasting Model for Apparel Sales,” presentation, International Textile Design and Engineering Conference (INTEDEC 2003), Edinburgh, UK, September 2003.

R. Scott Hanson, School of General Studies

“City of Gods: Religious Freedom, Immigration and Pluralism in Flushing, Queens – New York City, 1945-2000,” presentation; “Underdevelopment, Political Philosophy and Invention,” session chair, 1st Global Conference on Critical Perspectives in Pluralism, Mansfield College, Oxford University, September 19-21, 2003.

Lloyd Russow, School of Business Administration

“The Future of International Business Research and Education,” panelist, Academy of International Business, October 4, 2003.

Hitoshi Ujiie, Brian George & Muthu Govindaraj, School of Textiles & Materials Technology

“Fabric Formation and Coloration Process with Digital Inkjet Printing,” presentation, International Conference and Exhibition at AATCC, Greenville, SC October 1-4, 2003.

Hitoshi Ujiie, School of Textiles & Materials Technology

“Integration of Fabric Coloration and Formation via Digital Inkjet Printing,” presentation, NIP-19 (Non-Impact Printing – 19) Conference, The Society of Imaging and Technology, New Orleans, LA, September 29, 2003.

Jerome Witt, School of Business Administration

“Regarding the Timing of Student Course/Instructor Evaluations,” presentation, Academy of Business Education, San Francisco, CA, September 18, 2003.

Brittany Wittman, School of Textiles & Materials Technology

“A Convergence of Art + Technology,” presentation, International Textile Design and Engineering Conference (INTEDEC), Heriot-Watt University, Edinburgh, Scotland, September 22-24, 2003.

III. GRANTS

Jeff Ashley, School of Science & Health

Meadowlands Environmental Research Institute grant for “Assessing PCB and Organochlorine Pesticide Concentrations in Fish and Sediment from the Lower Hackensack River, NJ.

Rob Fleming, School of Architecture & Design, and Chris Pastore, School of Textiles & Materials Technology

Pennsylvania Department of Community and Economic Development grant for The Consortium for Sustainable Design & Research of Southeast Pennsylvania.

IV. AWARDS

Michael Rackover, School of Science & Health

Named Physician Assistant Educator of the Year by the Pennsylvania Society of Physician Assistants, October 17, 2003.

V. EXHIBITS

Brittany Wittman, School of Textiles & Materials Technology

Displayed exhibit at the International Textile Design and Engineering Conference (INTEDEC), Heriot-Watt University, Edinburgh, Scotland, September 22-24, 2003.

VI. OTHER

Jeff Ashley, School of Science & Health

The Academy Scientist’s Highlighted: Polychlorinated biphenyls PCBs in the Delaware River. A multi-media science display at the Academy of Natural Sciences, October 20, 2003-March 1, 2004.

Steven Bell, Gutman Library

“Say, Can you Googelize That for Me: Why Libraries will Prevail Over Google,” keynote speaker, Annual Meeting of the Panhandle Library Access Network, Panama City, FL, October 3, 2003.

David Breiner, School of Architecture & Design

Elected to Board of Directors, Germantown Historical Society.

John Eliason, School of General Studies

Served as a Guest Reviewer for *The Writing Across the Curriculum Journal*, v14 (2003), published in hard copy and online.

Appointed co-chair of the Philadelphia Writing Program Administrators, a regional affiliate of the National Council of Writing Program Administrators.

Harry Woodcock, School of Science & Health

“Galilei-Invariant Classical Mechanics,” invited lecture, Lehigh University, October 2, 2003.

Richard Shain, School of General Studies

Selected to serve a 3 year term on the committee selecting Fulbright Fellows for Africa.
