

PVH Career Start Summer Internship Program

Job Location

Bridgewater, NJ or New York, NY

Job Description

Explore fashion and business while experiencing both professional and personal growth with a growing industry leader. Phillips-Van Heusen's brands include Calvin Klein, IZOD, Van Heusen, Arrow, & Bass.

The PVH Career Start Internship Program is a 10-week paid internship experience for college students. Students are placed in a department as active associates to receive hands on training and experience. In addition to daily job responsibilities, PVH interns have weekly communication with Human Resources to ensure they are getting the most out of their internship experience. Interns participate in formal training classes and work on a final team project.

Internships in our Bridgewater, NJ office often include Human Resources, Accounting, Visual Merchandising, Buying, Planning, Sales Promotion, and Store Design & Construction.

Internships in our New York, NY office often include Apparel Design, Buying, Planning, Graphic Design, Sales, Marketing, and Licensing.
