Home of the first government of the United States and Betsy Ross, this is also the city that invented the cheesesteak, bubble gum and the Stetson hat! Our tour will take in history, famous residents (take your choice of Benjamin Franklin, W.C. Fields or Will Smith!), murals, sculpture, food, parks, architecture, great movies and the best in Philly dining and drinking. Starting where William Penn founded this wonderful city, down on the Delaware River, your tour guide will direct you from the historic district, one of today's great café and restaurant clusters, through the Bohemian neighborhood of South Philly and it's South Street centerpiece, and then through Center City to City Hall, Rittenhouse Square and along the Franklin Parkway to the Museum of Art. You'll have the chance to run up those historic steps, following the path of Rocky, 35 years ago! Your tour will include a couple of mouth-watering Philly gems like a Philly soft pretzel or a water ice. You'll be able to get off the bus in a number of places to take in the atmosphere and use your camera to share your experience with the rest of the family. Top it all off with a view out over the Schuylkill River and the Water Works, with its backdrop of Fairmount Park.

Registration Price: \$20 per person

Limited number of spots available, first-come-first-served basis.
