

Podcasting Resources

Apple's official Podcasting web site:

<http://www.apple.com/education/solutions/podcasting/>

Philadelphia University - iTunes University:

<http://itunes.philau.edu>

Definition:

<http://en.wikipedia.org/wiki/Podcasting>

Software: MAC or PC

Audacity - <http://audacity.sourceforge.net/download/windows>

LAME MP3 Encoder -

<http://audacity.sourceforge.net/help/faq?s=install&item=lame-mp3>

iTunes 7.0.2 - <http://www.apple.com/itunes/download/>

Note: OIT has these three programs as part of the "standard image." If you call the Help Desk, they will send someone to install these three programs on your office computer.

Podcasts of Interest to Professors:

- Higher Ed: <http://www.recap.ltd.uk/podcasting/podchannels.php>
- Higher Ed: <http://learninginhand.com/podcasting/find.html>
- K-12: <http://epnweb.org/>
- Podcast for Teachers: <http://www.podcastforteachers.org/>
- Podcast for Professors: <http://www.podcastforprofessors.org/>

Ideas for Using Podcasting in the Classroom:

Teacher Directed:

- for distance learning
- to facilitate self-paced learning
- for re-mediation of slower learners
- to allow faculty to offer advanced and or highly motivated learners extra content
- for helping students with reading and/or other disabilities
- for multi-lingual education
- to provide the ability for educators to feature guest speakers from remote locations
- to allow guest speakers the ability to present once to many sections and classes
- to allow educators to escape the tedium of lecturing
- to offer a more interactive PowerPoint experience
- to offer reviews for mid-term and final exams
- conduct mock interviews with students
- hands-on lab experience - demonstrating a process
- working with clients in the Occupational Therapy and PA programs
- recording videos of procedures in physical and occupational therapy
- medical terminology
- B-122 Lab assignments and procedures
- Acquisition of content from other institutions and countries

Staff Directed:

- to offer a virtual recruitment seminar
- career services presentations
- to offer instant access to campus events and student life on campus
- to present "news" to alumni and the community - audio and video
- to present descriptions of programs and courses
- interviews of incoming students to program
- library tutorials - screen casts on how to use resources
- HR training
- campus lectures
- New Student Orientation/START
- Parent information
- Lecture series - Emerging Leaders

- Athletic events
- CA/RA Training
- Career services
- Learning & Advising

Student Directed:

- to practice speaking and presenting in foreign language
- to provide scaffolding of learning - recording presentations, case studies, etc.
- to record brainstorming sessions for rest of class and teacher to learn
- to have students summarize material in a lecture so entire class can go back and review
- Weekly classroom news broadcast
- Document a field trip
- Record a class discussion
- Share book reviews
- Conduct interviews
- Review curricular content
- hands-on lab experience - demonstrating a process
- role playing of scenarios and case studies
- video of student work
- SGA election platforms
