A completed check sheet for the student's new program requirements should accompany this form when submitted to the Registrar's Office. Students should check in the current catalog under "Academic Policies and Procedures" for further details concerning reallocation of existing credits toward the new program requirements <[on-line catalog](#)>.

Note that some existing transfer credits that could be allocated toward the new program requirements may not appear on the current PhilaU transcript. When appropriate, each student and their advisor should review the transfer credit history when preparing the new check sheet.
