

IRB OVERSIGHT - EAST FALLS CAMPUS

Kyle Conner,
MA, CIP
Associate
Director, Office
of Human
Research

ADMINISTRATIVE STRUCTURE

- The Jefferson Office of Human Research (OHR) is the administrative hub of the human research protection program across the Jefferson Enterprise.
- We are located at 1020 Locust St., #M-34 at the Center City campus.
- The East Falls IRB falls under the jurisdiction of OHR.
- Regulatory determinations can be made independently by East Falls IRB, or in association with OHR, as needed.

EAST FALLS IRB

- Will continue to serve as regulatory IRB for East Falls campus for graduate and faculty research
- Will oversee undergraduate research via OHR-35 form.
- Dr. Shain and OHR will determine which IRB– East Falls or Center City– will assume regulatory oversight for collaborative research on a per study basis

FORMS & POLICY

- Dr. Shain & OHR will set effective date for use of Center City IRB forms at East Falls.
- Center City IRB policies will be extended to East Falls when IRB forms are made effective. The policy manual can be viewed and downloaded at:
https://www.jefferson.edu/university/human_research/policies-procedures.html
- OHR-35 is effective now and should be used for all undergraduate student research projects. If study needs formal IRB review, Dr. Shain will notify the student's faculty advisor and an application must be submitted to the IRB.
