House & Apartment Security Guideline

House & Apartment Security Guideline

The safety and security of all students faculty and staff is Philadelphia University's top priority. Please consider the following guidelines developed by the Office of Safety & Security when evaluating off-campus housing. This list is intended as a general guideline of safety information and should not replace a professional security survey. For more information about assessing the safety of houses or apartments located off campus, contact the Office of Safety & Security at 215.951.2999. To learn more about the security of a specific house, apartment or parking area, contact the appropriate police jurisdiction responsible for the area where you are looking.

DOORS

- Solid construction?
- Peephole(s)?
- Hinges protected from outside?
- Secure and solid feel?
- Open and close properly?
- Windows in or near door(s)?
