Section 1. INTRODUCTION
These regulations have been established to protect the safety of faculty, staff, students and visitors, and to control motor-vehicle traffic and parking on campus to ensure that University business may be conducted in an orderly manner. The act of parking or driving a motor vehicle on campus is a privilege and constitutes acceptance by the owner and/or operator of the responsibility to see that his/her vehicle is neither operated nor parked in violation of these regulations or any regulations/laws of the Commonwealth of Pennsylvania. Parking regulations are in effect year round.

Section 2. GENERAL REGULATIONS
A. Every member of the campus community (faculty, staff, students) must register their vehicle. This requirement is enforced at all times. Campus visitors should refer to Section 7, Resident Student Guests, and Section 10, Business Visitor Parking.
B. University parking and traffic restrictions are indicated in this publication. Signs, street markings and/or curb markings are intended as additional guides, but do not supersede this policy. All vehicles must park in designated spaces, between the painted lines. Vehicles parked at any other location not delineated by painted lines will be ticketed and/or towed.
C. It is the responsibility of all faculty, staff and students operating a motor vehicle to register their vehicle and to learn and obey these parking and traffic regulations. Ignoring the provisions of these regulations will not be accepted as a defense for violations. Specific questions relating to these regulations may be directed to the Department of Safety and Security, 215.951.2620. Pedestrians have the right of way on campus at all times.
D. In addition to the University’s parking and traffic regulations, city ordinances and state laws relating to motor vehicles are also enforced on campus.
E. The registrant is held responsible for any violation involving the registered vehicle (or the person who is responsible for registering the vehicle if it is not registered) when he/she is operating the vehicle or when the vehicle is being used by another individual. Students are responsible for parking infractions involving cars driven by those coming to visit them on the University campus.
F. Only properly licensed and inspected vehicles in operable condition are allowed on campus. Vehicles that do not meet this standard will be reported as abandoned.
G. Vehicle storage is not permitted on campus.
H. Parking in the Second Church of Christ Scientist parking lot (School House Lane) is available for registered commuter students with a green permit Monday through Friday during daylight hours only. At no time is parking allowed in spaces for “Church Use Only.” Parking in this lot will be monitored and enforced by Philadelphia University Security.
I. The parking and transportation policy is the sole authority for parking at Philadelphia University unless otherwise indicated by the director of Safety and Security. Improper advice from faculty, staff, coaches, and other students does not constitute grounds for appeals.
J. Faculty, staff or students may not register a vehicle for other students.
K. It is unacceptable to place a ticket from a previous violation on a vehicle to give the impression that the vehicle has been currently ticketed.
L. Parking in the Jamestown lot at PURC is for faculty and staff only. Vehicles must have Philadelphia University parking permits and a parking lot hang tag. Students are not permitted to park in the lot.

Section 3. VEHICLE REGISTRATION
A. To register for a parking permit, which can be done from any networked computer, students, faculty and staff can go to www.PhuLAU/education/security/parking and complete the registration process. (Please make sure to have your vehicle information available when visiting the website.) To pick up a permit, students must personally appear at the Safety and Security Office and present a current, valid University I.D. card and, most important, the state vehicle-registration card and proof of current insurance for the vehicle they wish to register. Faculty and staff will have their permits sent via campus mail to their department administrators. Please be aware that resident students who have completed less than 24 credit hours are not eligible to park on campus. The Safety and Security Office is located on the Ravenhill Campus and is open 24 hours a day, seven days a week for assistance with on-line registration. For further assistance or information, call Safety and Security at 215.951.2620.
B. A yearly registration fee is required (see 3D. Fee Schedule) and a vehicle is considered registered only when a valid parking permit assigned to that vehicle is properly displayed. The registrant is responsible for the use of the issued permit that can only be displayed on the vehicle to which it is registered. PRIOR-YEAR PERMITS MUST BE REMOVED.
C. The University parking permit must be affixed to the inside (or outside for heavily tinted windows) rear passenger’s window on the driver’s side (see example). If the permit is not affixed using the adhesive on the permit (e.g., taped, set in window, etc.), tickets for failure to display or improper placement will be assumed to be correct. Vehicles on campus without a parking permit will be considered as trespassing.
D. Fee Schedule
   - Full-time Faculty and Staff $50.00 per year (Faculty and staff may pay by credit card or payroll deduction. Payroll deduction will be five (5) equal payments of $10.00 each.)
   - Full-time Day Students $50.00 per year (Students may pay by credit card or student account. Payroll deductions apply only to faculty and staff.)
   - Part-time Day Students $15.00 per year (under 12 credit hrs)
   - Continuing Studies Students No Fee
   - Evening Graduate Students No Fee
   - Part-time Faculty and Staff No Fee

Students, faculty and staff are prequalified in the IPARQ database. Failure to choose the correct permit category may result in a delay in receiving your permit. “Failure to register vehicle” citations will be issued for vehicles parked on campus with no permits. Replacement fee for lost or stolen permit is $25 for full-time and $7.50 for part-time. Notify the Department of Safety and Security immediately if your permit is lost or stolen.
