## DID YOU KNOW

- The Paul J. Gutman Library offers citation software RefWorks to members of the University community, free of charge. Perfect for lengthy research, RefWorks allows users to maintain personal databases of all the citations that they are using for a given project. It also helps users format citations for publication in any style, including the Modern Language Association (MLA) and American Psychological Association (APA) formats. To learn more about RefWorks, read about the software in *The Chronicle of Higher Education*. To start using RefWorks, visit the [Paul J. Gutman Library web site](#).
