CAMPUS PLAN UPDATE

Check this column each week for the latest news on Philadelphia University's Campus Plan. Check our progress as we get ready for the new construction. We're on the move!

Over the next couple of months, the construction site will be prepared and parking patterns on campus will begin to change.

During the spring semester:

- The majority of the parking spaces around Althouse Hall and the spaces along White House Drive between the A&D Center and Althouse will be relocated to a temporary lot behind Archer Hall for faculty and staff.
- The remaining spaces on White House Drive by Paul J. Gutman Library will be reserved for commuter students.
- All Scholler resident students will park at Ravenhill. Scholler residents can park in commuter lots on Main Campus on weekdays from 7 p.m. to 7 a.m., and on weekends.
- Townhouse students will continue to park in front of the Townhouses or at Independence Plaza.

More specific information, including a revised campus parking map, will be available as we confirm the exact dates and times of these changes. Be sure to check your email and *This Week @ PhilaU* for regular updates.
