A QUICK GUIDE FOR

# Nexus Abroad

What is Nexus Abroad?

**It is a pan-college collaboration**

One CAFE class, one DEC class,  
and one SHLA class run together  
at the same time to the same destinations

What is Nexus Abroad?

**It is designed for freshmen**

Students are encouraged to participate  
in the summer between their 1<sup>st</sup> and 2<sup>nd</sup> years

What is Nexus Abroad?

**It attracts collaborative faculty**

While teaching your own course within your discipline, you are also part of a faculty team that shares learning opportunities across courses.

# Nexus Abroad

What is Nexus Abroad?

**It contains a cohesive core**

Professors design their courses to be linked,  
either by a common theme or  
by a common methodology.

What is Nexus Abroad?

**It runs for 3 weeks in summer**

Building an effective learning community with freshmen takes time. The period from mid May to early June works best for our students.

What is Nexus Abroad?

**It requires your cultural proficiencies**

We don't employ travel services or many local guides. Instead, the faculty team provides most of the knowledge about the regions visited.
