

# STUDY ABROAD PROGRAM: GOALS & NEW INITIATIVES

---

**Alayne Prine**

Manager of International & Domestic Study  
Away Programs

# Goals

- Opportunities for all Undergraduate programs to go abroad.
  - Establish custom programs and relationships abroad for underserved disciplines.
  - Find flexibility in your curriculum that makes a semester abroad possible.
  - Collaboration.
- More opportunities for Graduate programs to go abroad.
  - Short-term, faculty-led courses have been successful.
  - Summer and semester term programs are developing.

# New Initiatives

- Costa Rica Experience for Health Sciences
  - Custom program for PhilaU students studying health sciences
  - Collaborating with an affiliate organization – CEA
  - Opens Fall 2015
- National Student Exchange program
  - Domestic exchange opportunities for students
  - A suitable alternative to a semester abroad
